

Sunday join the fun at Plaza Betico Croes with “Yuda Nos Yuda Nan!”

The Casa Cuna Children’s Center in Pos Chiquito is preparing for their Golden Jubilee anniversary in April, and they are seeking to raise funds to repair the facility and purchase new transportation that is necessary for them to continue their important work.

The staff of Casa Cuna are asking Aruba to make the call that will help the center continue. A radio telethon and feria is taking place today, Sunday, October 1 in the Plaza Betico Croes behind the Cas di Cultura. This promises to be a terrific day for all the family, with children’s entertainment donated by Party Animals, and a special visit from Ronald McDonald, as McDonald’s is a major sponsor of the event.

A number of vendors and groups are rallying to this cause to provide a flea market, food stands, and of a full day of music and entertainment for the entire family. Food stalls from Tony Roma’s Nos Cunucu and Wong Shung Wong restaurant will offer a variety of cuisine, as will the chefs of the EPI Hospitality Management Unit. The flea market will offer bargains on goods donated by Cura Cabai, Fantastic Gardens, Comprá N.V., Satex N.V. La Linda, Giselle, Bon Bini Bazaar and others. Game Masters has organized a car rally, and there will be a raffle held for gift certificates to the Radisson Resort, art work donated by some of Aruba’s most noted artists, and cellular phones from SETAR N.V.

Entertainment will include the dance groups Timbiriche, Lolipop and the Pachanga Dance School, and top bands such as Aom, Perfect Sound, Zarao La Banda, Richochet, Blad and Le Groove will make sure the beat goes on all day long. Other attractions will include a celebrity dunking pool, and many surprises throughout the day.

This fun day of fund raising begins at 9:00 AM lasting until 6:00 PM, and telephone pledges will continue until 9:00 PM. The phone number for pledging a donation is 588-5050, or donations can be made directly to Aruba Bank account 10.01.06.05, CMB account 505.050.50 and RBTT 30.38.963.

Casa Cuna has been a vital part of the Aruban community for nearly fifty years, and Director Charisse Hoen-Daly revealed that they need to raise 150,000 Arubian florins to make the necessary repairs to the center and acquire a new vehicle. They ask all of Aruba to join them in this effort and have a great day while providing the funds they need to help the helpless. “Help us help them” is their slogan, “Yuda Nos, Yuda Nan!” and have fun too!
